STAT

Attached in single copy are component responses to [redacted] Agency Assistance to U.S. Federal, State, and Local Government Components. They were due in the IG's office on 21 September, but we were given a few days grace. We should, however, try to get them to the IG by Thursday, 27 September.

I have reviewed the reports and find the described assistance to be within my interpretation of the bounds of propriety. We could probably nit-pick a few things, but I suggest we forward "as is" to the IG (attached routing sheet for HLB signature).

You should note that OS has reported assistance only to the Fairfax County Police. Presumably, support to other groups has been previously reported to the IG. Furthermore, there may be similar earlier reporting by other offices that I'm not aware of but you probably are. Therefore, you should take a careful look at the attached to be sure you approve of all assistance and/or want additional details about these and/or other activities.

A handwritten signature in dark ink, appearing to be 'LDP' with a stylized flourish above it.

P.S. Karen has the three copies to be forwarded to the IG. This leaves the original copy for our files.
